

Our Vision: *We connect people to possibilities.*

Our Mission: *Library = Community Living Room.*

Our Goals:

We serve as a community destination

- We will expand our facility to become large enough to effectively serve our entire community
 - Appoint a Facilities Task Force to investigate options and recommend action
 - Analyze Facilities Task Force recommendations and proceed with construction
 - Provide a multi-purpose space for meetings and performance events
- We are an educational, cultural, and recreational playground
 - Provide comfortable, flexible gathering spaces
 - Provide space for a dynamic collection
 - Offer diverse programming based on community trends
 - Increase performing arts events

We provide resources to reach goals

- We inspire literacy and discovery for all ages
 - Persistently update our collection to stimulate learning
 - Offer fun, informative, educational and cultural programs
 - Provide and expand entertainment opportunities through materials, programs and displays
 - Utilize programming to promote our diverse collection
- We champion innovative technology
 - Investigate and evaluate technology trends for our community
 - Train staff to use and demonstrate new technology
 - Teach new technology through informative classes
 - Offer devices for checkout
 - Provide space, seating, power and wireless service to support the use of personal computing devices
- We provide an educated, creative, exceptional staff to provide excellent patron experiences
 - Balance staff size with changing community needs
 - Provide an encouraging, challenging and supportive atmosphere for staff
 - Evaluate and improve staff workspace
 - Retain valuable employees through competitive salaries, benefits and educational opportunities

We nurture community relationships

- We inspire collaborative patron creativity and innovation
 - Market resources that encourage collaboration
 - Promote networking
- We actively participate in community organizations
 - Develop a list of community organizations with which to interact
 - Require staff members to participate in community groups
- We seek out new partnership opportunities (for the library)
 - Utilize information from community organizations to determine opportunities
- We will be a non-profit matchmaker by fostering community partnerships
 - Become a clearinghouse for non-profits
